"THE WIDEST MAINSTREET IN THE U.S.A."

We at the "CLASSICS" Car Club would like to express our appreciation for the support our annual events have received over the past few months as we work our way through this pandemic. We have held out to the last minute to make any decisions as to what direction we as a club should proceed with our first event of the Summer, the 36th Annual Graffiti Night. Due to restrictions and requirements set forth by the local Public Health and the State we have made the unfortunate decision that it is in our best interest to cancel (well, sort of) our regular style of event for this year. We know this will disappoint and probably upset a few people but we have to do what is in the best interest of our Club Members and our attendees. With that being said, we will for only the second time in our 36 year history we will be having a No Event, Event! We are inviting all CLASSIC car lovers to come and "Socially Distance" Cruise Onawa for the evening on Saturday, June 20th from 4:00-8:00pm. Come enjoy our local restaurants and do some ole fashion cruising on "The Widest Main Street in the U.S.A"
